

POWER INVERTER

No car should be without one – a conveniently sized inverter which simply plugs into the cigar lighter of your vehicle and converts the 12volts DC to 240v AC household electrical power. You can operate mobile office equipment and household appliances up to 6amps from your car, van, motorhome or boat. Run your mobile phone charger, laptop computer, playstation, camera charger, portable lights. Will not run heating appliances like irons and kettles.

- Auto shutdown to protect against overload, short circuit or overheating
- Flexible elbow
- LED light to indicate operation
- Compact and lightweight, easily stored in glovebox

BA 5113 "Miniverter" 240v Power Inverter

SECURE STORAGE

These 36" long chests provide 4.9 cu ft of lockable storage space. Manufactured in aluminium with stainless steel, recessed hinges and full weather stripping to seal out moisture and dust. Gas spring lid lift to assist in opening and closing lid.

The ideal solution to keeping tools and expensive accessories secure in the back of your vehicle.

Size: 36"long x 17"wide x 16"high

BA 5500 Aluminium Secure Storage Chest

STOP PRESS - LATE EXTRAS

This just about sums up the ethos at BEARMACH - we were about to go to print with this our Ninth Edition of our Accessories Catalogue and we come up with these four pages of NEW NEW products which are just too good to miss. We already have more new products ready for the tenth edition so if you think there's something missing, please contact us – we're bound to be able to help if it's anything related to Land Rovers.

OEM SOFT PLASTIC 'A' BARS

These bars are as fitted as original equipment. They offer robust vehicle protection as they are a steel frame construction covered in a thick rubber coat to absorb impact. More pedestrian friendly than other bars. Easily fitted to the following models.
